1. Who can see the new that I am doing, being it/the new? New I am and never old and never distinguishing between new and old, I am. The one I am I am and I am you are and you knoweth it not, not, you forgot. Forgotten and old'age'd not but incarcerating with there among you, words of old/'ore, you did this to yourself. Can you not see?

2. Exasperated not be with me, when who are you, not me? Well that's pretty clear isn't it? If you are/were me, what how then happened all to become not me? Why separatest thyself from me thinking holy/holier than thou when I am holy, you are holy, and we aren't the same, not; precision matched perfectly the DNA that I am, you are. I love you.

3. Can you not see? Will you see? What will you realize this week, month, year, upon thee is, your shoulders; my government not, or is there/it there upon thee? What prophetic words/messages have been given you/about you, given you to me, by me, to others? What meaneth thou name mine? What bowing, tying your shoes when you have none? Or only mine, in meaneth'sville that regardeth no one the same as earthlings. I love you.

4. What meaneth me herein? Say my name not, yours mine mine yours and John 17 shall we? this day? I love you all. Now upon thee/me, are we same, separate, wholly matched, holy being, never were separate; without inheritance sought through circuitous not'me.
5. I love you still. Ancient theories not but who revived the ancient'not to be current now among the seeking me? Why separatest thou unto holiness seeking intimacy when intimacy sought separations when theory'd foundations separate? More than worry, separate not, for unto me is born this day, a city, born of God, not separate. I love you all.

6. Who can see how plain I make this, not; simple, not; complex, not; simple before thee, I am thee I am. I am thee, me; we are the same one; in suffering not, perfection, not; but perfecting entereth me. I love you. Me'land in, seeing, first time, not; returning, home land; home. I love you.

7. Enter and be satisfied. Not sitting on couches usurping but being the one on thrones mighty, one and the same, not; one and the very same; precision engineered, not; but perfectly surrendered me, father. Unto, being. Same, perfectly. I love you all.

8. This is the day. Bear my word. Eat ingest and be filled to overflowing not in righteousness, but good works, not; but both and more and full'filled and operating trans'superiority'd not but one humble one made of many/each other.

9. See what I have said, stated, you are I am, me. I am you, I am. Let me be one. You decide, do you not? You separated, I didn't. I Rome'd you not, did you/didn't you? Who did/then?

10. Eat not the bread of idleness/accusations, accusatory remarks belittling the ancient now but rise and be healed, suffering not the ancient theories not of reality'not to belittle thee therein, herein, the now. I love/thank thee, you, the thee therein, herein, and belittling not thee, I request of thee. I love you now. Always. Forevermore. Me. I am. See. Please. Thank you'd. Thank you.

12. I now your conference, not; I confer me'hood in/on and me being the one attending/attender, one coming forth; as one, not; the one, being me/the one I am; I am'ship frozen not but attending not theoretically not but reality am your flesh surrendered to be mine. You were, now understanding, restrain not me; let me me you. Meon be ray'd not but who can see light emanating now from your'sword not but mine, shoulders mine, government one? I love you all.

16. Meonics rise, does, in perfectionistic states of competition, not; surrender.
17. Perfection rising, being understood, manifest, and removed not from by separation'd holiness'thought. You are my father mother brother sister and be I am for art thou not my senior savior, not; but surrenderer into me therefore being me, humble, separate not, savioring the lost now, way, sheep of Israel, not; house of Israel establishing, beachheads not in space, or are art thou? In me see, be, the one I am. Not little, belittling each other, yourself foremost, in theoreticals of not me holiness ascribing me to.
